

Gallup National Public Pulse

Panama Leaks Case & Dr. Asim Hussain's Release

(Gallup Pakistan has provided this data in the public interest and gratis. It cannot be held liable, contractually or otherwise, to the users of this data)

April 12th, 2017

Table of Contents:

PART 1: FINDINGS

Topic 1: Panama Leaks Case

- Item 1.1: Please keep the Panama Leaks case in view and tell in your opinion which of the following could be the result of the case?
- Item 1.2: Suppose the Panama Leaks case decision comes in favour of Prime Minister Nawaz Sharif. Some people think that if the decision is in favour of Nawaz Sharif it would be a defeat for Imran Khan, while others think Imran Khan has already gotten an advantage by bringing up the issue of corruption and getting audience with Supreme Court. What is your opinion?
- Item 1.3: Suppose if the Supreme Court's decision comes against Prime Minister Nawaz Sharif and he is disqualified, then in your opinion who should be the Prime Minister of Pakistan?
- Item 1.4: Suppose if the Supreme Court disqualifies Prime Minister Nawaz Sharif in the Panama Leaks case, what would be your emotions on the decision?

Topic 2: Asim Hussain's Release

- Item 2.1: Recently, the Sindh High Court's Referee Judge, Justice Aftab Gorar has approved/ accepted the bail of Dr. Asim Hussain in two corruption cases of Rs. 479 billion. Have you heard/ read anything about it?
- Item 2.2: With reference to Dr. Asim Hussain's release, please tell to what extent do you agree or disagree with the following statement [Dr. Asim Hussain's release is a result of a deal between PML-N and PPP, especially due to Panama Leaks case]?

PART 2: CLASSIFICATORY VARIABLES

PART 3: METHODOLOGY

Disclaimer: Gallup Pakistan has conducted this poll according to the ESOMAR Code of Ethics and internationally recognized principles of scientific polling. The results in this Report do not represent views held by the authors or Gallup Pakistan. The results only represent public opinion, computed on the basis of views expressed by anonymous respondents selected through the procedure outlined in the Methodology section of this Report.

Gallup Pakistan has provided this data in the public interest and gratis. It cannot be held liable, contractually or otherwise, to the users of this data

TOPIC 1

Panama Leaks Case

This Topic has 4 items. Key Findings and Statistical Analysis for each of them are provided ahead in this section

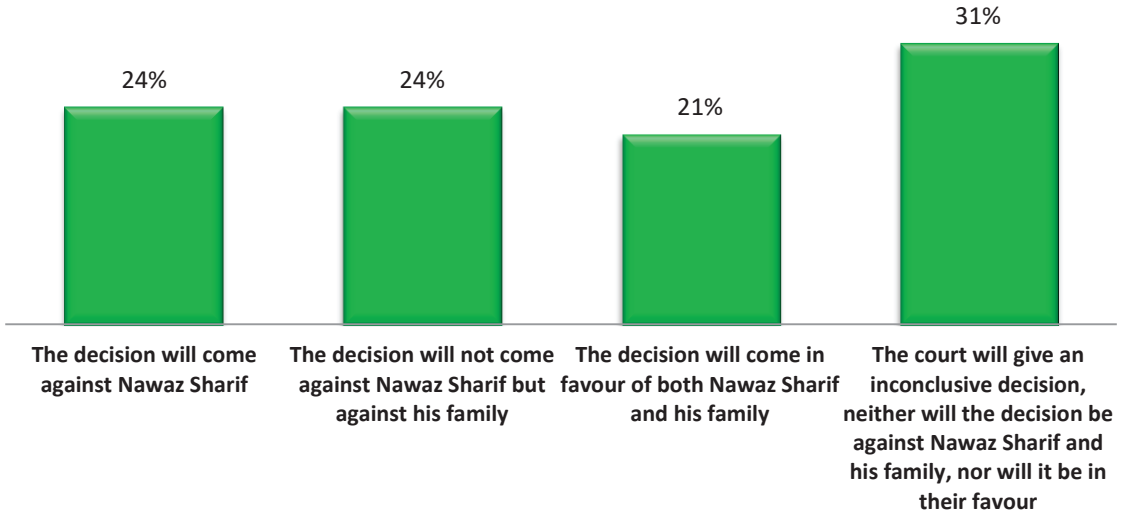

[BLANK PAGE]

Item 1.1: Key Finding

Question: Please keep the Panama Leaks case in mind and tell in your opinion which of the following could be the result of the case?

Source: Powered by Gallup Pakistan Apr 3 – Apr 10, 2017

- Q برائے مہربانی پاناما لیکس کیس کو مد نظر رکھتے ہوئے بتائیں کہ آپ کے خیال میں پاناما لیکس کا کیا نتیجہ نکلے گا؟
- 1 نواز شریف کے خلاف فیصلہ آئے گا
 - 2 نواز شریف کے خلاف تو کچھ نہیں ہوگا مگر ان کی فیملی کے خلاف فیصلہ آئے گا
 - 3 نواز شریف اور ان کی فیملی دونوں کے حق میں فیصلہ آئے گا
 - 4 کورٹ ایک غیر واضح فیصلہ دے گی یعنی نہ نواز شریف کے خلاف اور نہ ہی ان کے حق میں

Item 1.1: Statistical Analysis

Question: **Please keep the Panama Leaks case in view and tell in your opinion which of the following could be the result of the case?**

		The decision will come against Nawaz Sharif	The decision will not come against Nawaz Sharif but against his family	The decision will come in favour of both Nawaz Sharif and his family	The court will give an inconclusive decision, neither will the decision be against Nawaz Sharif and his family, nor will it be in their favour
All		24%	24%	21%	31%
Respondent Gender					
	Male	26%	25%	21%	29%
	Female	21%	23%	22%	34%
Respondent Age					
	Young	27%	21%	25%	27%
	Middle	21%	25%	20%	34%
	Old	22%	29%	15%	33%
Household Income					
	Low	19%	21%	32%	29%
	Medium	24%	25%	19%	31%
	High	28%	24%	13%	34%
Location					
	Rural	21%	23%	23%	33%
	Urban	30%	25%	17%	27%

Notes:

Age: Young: Under 30 years of age; Middle: Between 30 and 50 years of age; Old: Above 51 years of age

Income codes: **Low:** Up to Rs. 7000 (in 2017 this represented the lowest quintile). **Medium:** Rs. 7,001 to 20,000 (In 2017 this represented the 2nd and 3rd Quintile). **High:** More than 20,000 (In 2017 this represented the 4th and 5th Quintiles)

Location: Urban is defined as location defined as town or city in the census, the total in Pakistan being 470 constituting 35% of the population; Rural is defined as a population living in villages as in the latest census, approximating ~45,000, consisting 65% of the population.

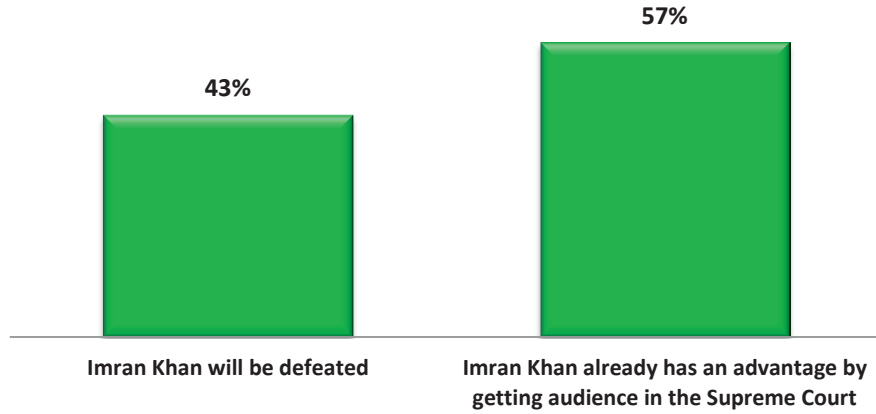

Methodology: Sample Size: 1865; Coverage: National/Rural and Urban/All four provinces; Mode: Face to face; Survey dates: April 3 – April 10, 2017. Estimated error margin: ±3-5% at 95% confidence level.
