(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, January 09, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, one third Pakistanis (31%) claim to have experienced negative emotions of worry or sadness on the previous day.

A nationally representative sample of men and women from across the four provinces was asked, “Please tell if you experienced feelings of sadness and worry yesterday.” In response to this question, 31% said yes, 68% said no and 1% did not respond.

Question: “Please tell if you experienced feelings of sadness and worry yesterday.”
