**52% Pakistanis, who voted in recent elections, opine that the facilities in the polling station were good, another 42% found them satisfactory.
(GALLUP & GILANI PAKISTAN POLL)**

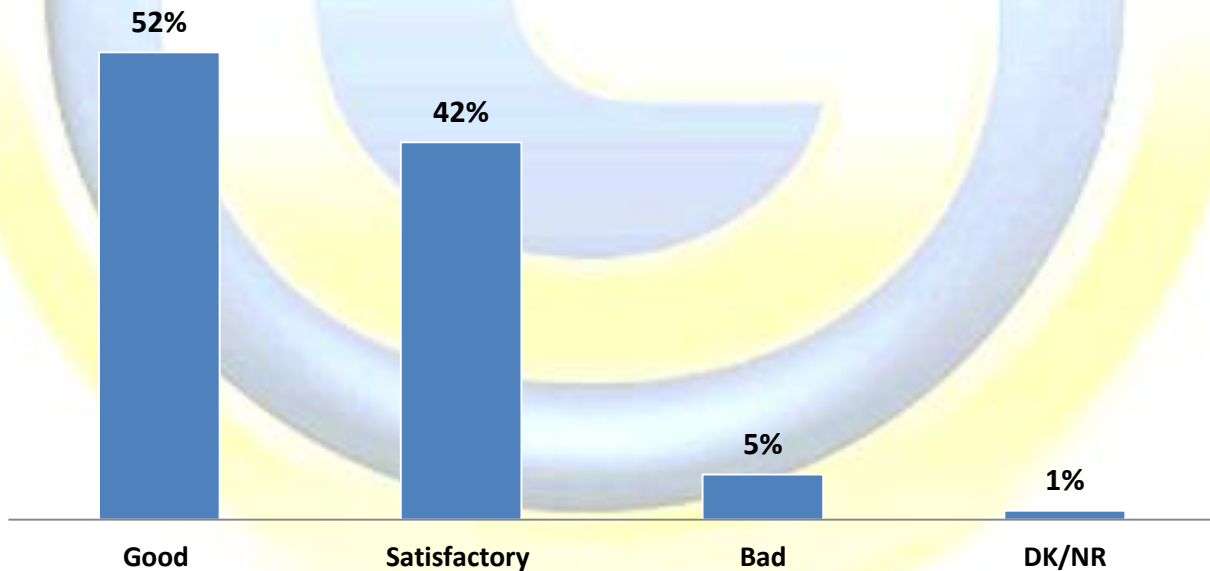

Islamabad, September 14, 2018

According to a Gilani Research Foundation study on “Experience of Voters during General Elections 2018” carried out by Gallup & Gilani Pakistan, 52% Pakistanis, who voted in the recent elections, opine that the facilities in the polling station were good, another 42% found them satisfactory.

This press release is 4th of a six part series of press releases from Gallup’s post-election study.

A nationally representative sample of men and women from across the four provinces, who claimed they had voted in general elections 2018, was asked “Keeping in mind the facilities made available at the polling station, how were they?” In response to this question, 52% said they were good, 42% said that they were satisfactory while 5% found them to be bad.
