The Kartarpur Crossing is a border corridor which connects the Sikh shrines of Dera Baba Nanak Sahib in Punjab, India to those of Gurdwara Darbar Sahib Kartarpur in Punjab, Pakistan. This border corridor between the neighbouring countries of Pakistan and India was intended initially to permit Sikh religious devotees from India to visit their holy sites in Pakistan without a visa.

The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1,141 men and women in urban areas of all four provinces of the country, during 22 December – 29 December, 2018. The error margin is estimated to be approximately ± 2 -3 percent at the 95% confidence level.
