(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, January 29, 2019

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, the majority of Pakistanis (60%) are of the view that foreign investment is beneficial for the country's economy.

A nationally representative sample of men and women from across the four provinces was asked, "Some people think that foreign investment is necessary and has a positive impact on our economy. Others think that it is dangerous because it increases the influence of foreigners on our economy. What do you think?" In response to this question, 60% said that it is beneficial overall, 31% said that it is dangerous overall, while 9% did not know or did not wish to respond.

Question: "Some people think that foreign investment is necessary and has a positive impact on our economy. Others think that it is dangerous because it increases the influence of foreigners on our economy. What do you think?"
