

Opinion Poll
**MOST IMPORTANT PROBLEM LADDER
at Personal, Local & National Level (part 3)**

*This is a **3 part** series on Perceived Problems at Personal, Local and national level. **Part 1** deals with the problems which a Pakistani citizen feels most acutely at a **Personal** Level; **Part 2** deals with problems perceived at a **Local** (neighborhood) level and **part 3** deals with problems perceived at a **National** level. In each case a list of problems mentioned most often in open ended surveys was provided on a round card and the respondents chose one out of the list which they considered most acute.*

Most Pakistanis see Inflation (52%) and Unemployment (26%) as key problems at national level; terrorism is seen as the third most important problem. GILANI POLL/GALLUP PAKISTAN

Islamabad, February 27, 2012

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan Most Pakistanis see Inflation (52%) and Unemployment (26%) as key problems at national level; terrorism is seen as the third most important problem.

A nationally representative sample of men and women from across the four provinces was asked “In your opinion, which is the most important problem of Pakistan at the moment?” Responding to this 52% believe that inflation is the current biggest problem, 26% believe it to be unemployment, 16% term it as terrorism while 3% believe that foreign threats is the most important national problem. 1% believe that Kashmir is the most important national problem and another 1% cite various other problems whereas 1% did not give a view.

Question: “In your opinion, which is the most important problem of Pakistan at the moment?”
