ONE IN SEVEN HOUSE-HOLDS HAS A HAJI

According to the findings of a Gallup poll one in seven house- holds in Pakistan has one person who has performed the hajj or pilgrimage to Makka. A nation wide survey conducted by Gallup Pakistan in both rural and urban areas in the country posed the question: “have you or any in this house-hold ever performed the Hajj?” 14% of the population gave a positive response claiming that either they themselves or some one in their household had performed the Hajj.

The survey was conducted in 200 statistically selected locations all over the country.
