75 % Pakistanis believe that there is a possibility that PML-N would be able to successfully complete its tenure in office. (GRF POLL)

Islamabad, December 23, 2015

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 40% Pakistanis said that there is a high possibility that PML-N will be able to successfully complete its 5 year tenure in office; 35% said that there is a somewhat possibility.

A nationally representative sample of working men and women from across the four provinces was asked, "Please tell, what are the chances that PML-N will be able to successfully complete its 5 year tenure in office?" In response to this question 40% said that there is a high possibility, 35% said that there is somewhat possibility. 17% on the other hand said that there is a low possibility and 6% said that there is no possibility at all. 2% said that there is no possibility at all.

Question: "Please tell, what are the chances that PML-N will be able to successfully complete its 5 year tenure in office?"
