

Divided opinion on whether Imran Khan and Reham Khan's divorce should be discussed on media.

Some people are of the opinion that Imran Khan and Reham Khan's divorce is their personal matter and there should be no discussion on this on the media. Others say that it is very difficult to draw a distinction between Imran Khan's personal and political life. Therefore there is no harm in having discussions related to this on the media. What is your opinion?

Opinion Poll Media Freedom of Media

Divided opinion on whether Imran Khan and Reham Khan's divorce should be discussed on media. (GRF POLL)

Islamabad, January 21, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 51% Pakistanis believe that Imran Khan and Reham Khan's divorce discussions on the media are not justified.

A nationally representative sample of men and women from across the four provinces was asked, "Some people are of the opinion that Imran Khan and Reham Khan's divorce is their personal matter and there should be no discussion on this on the media. Others say that it is very difficult to draw a distinction between Imran Khan's personal and political life. Therefore there is no harm in having discussions related to this on the media. What is your opinion?" In response to this question, 51% said that a discussion on this on the media is not justified while 49% said that discussion on the media is justified.

Question: "Some people are of the opinion that Imran Khan and Reham Khan's divorce is their personal matter and there should be no discussion on this on the media. Others say that it is very difficult to draw a distinction between Imran Khan's personal and political life. Therefore there is no harm in having discussions related to this on the media. What is your opinion?"
