

39% Pakistanis believe that Muslims should wish Christians on Christmas.

Some people think that Muslims should wish Christians on Christmas while others believe that this is not good. Some others however, believe that this does not make any difference. What is your opinion?

Opinion Poll Social Social Behaviour

39% Pakistanis believe that Muslims should wish Christians on Christmas. (GRF POLL)

Islamabad, January 26, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 39% Pakistanis believe that Muslims should wish Christians on Christmas.

A nationally representative sample of men and women from across the four provinces was asked, "Some people think that Muslims should wish Christians on Christmas while others believe that this is not good. Some others however, believe that this does not make any difference. What is your opinion?" In response to this question 39% said Muslims should wish, 29% said they should not wish and another 29% said this does not make any difference. 3% did not respond.

Question: "Some people think that Muslims should wish Christians on Christmas while others believe that this is not good. Some others however, believe that this does not make any difference. What is your opinion?"
