### **23% of Pakistani households claim that someone from their own family or close relative in the extended family now lives abroad. GILANI POLL/GALLUP PAKISTAN**

Islamabad, September 04, 2012

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 23% of Pakistani households claim that someone from their own family or close relative in the extended family now lives abroad.

A nationally representative sample of men and women from across the four provinces was asked “Has anyone from your family or some close relative in extended family lived abroad for the last five years?” Responding to this, 23% claim that they have a family member or a close relative in extended family who has lived abroad for the last five years whereas 77% claim they don’t.

**Question: “Has anyone from your family or some close relative in extended family lived abroad for the last five years?”**
