19% of Pakistanis say they have been admitted to a hospital or medical facility at least once in their life. GILANI POLL/GALLUP PAKISTAN

Islamabad, August 13, 2012

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 19% of Pakistanis say they have been admitted to a hospital or medical facility at least once in their life.

A nationally representative sample of men and women from across the four provinces was asked “Have you ever been admitted to a hospital or not?” Responding to this, 19% say they have been admitted to a hospital whereas 81% say they have never been admitted.

Question: “Have you ever been admitted to a hospital or not?”
