### 31% Pakistanis believe that the performance of NGOs was good last year. GILANI RESEARCH FOUNDATION (GRF POLL)

Islamabad, February 17, 2015

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 31% Pakistanis said that the performance of NGOs was good last year.

A nationally representative sample of adult men and women, from across the four provinces was asked, "Please tell, what do you think about the performance of NGOs in the last year: very good, good, appropriate, bad or very bad?" In response to this question, 8% said it was very good, 23% said it was good, 27% said it was just appropriate and 18% said it was bad. 16% respondents said performance of NGOs was very bad and 8% did not respond.

This question was also asked in previous years. In 2011, 17% Pakistanis said that the performance of NGOs was good, 31% said it was appropriate and 38% said it was bad. In 2012, 17% respondents said that the performance of NGOs was good, 33% said that it was satisfactory and 39% said that it was bad. In 2013, a greater percentage of respondents said that performance of NGOs was good (25%) while 32% said that it was appropriate and 30% said that it was bad. Likewise, in 2014, 34% respondents said that performance of NGOs was good while 32% said that it was just appropriate and 25% said that it was bad.
