73 % Pakistanis say that they discussed politics on three days or less during the last one week. (GRF POLL)

Islamabad, March 11, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 73% Pakistanis said that they discussed politics on three days or less during the last one week.

A nationally representative sample of men and women from across the four provinces was asked, “Thinking about last week, please tell how many days did you have a discussion pertaining to politics or political matters with a person?” In response to this question, 36% said that they discussed politics on one day during the last week. 21% mentioned two days, 16% mentioned three days, 8% mentioned four days and 4% mentioned five days. 3% respondents also mentioned six days while 7% said that they discussed politics daily. 2% said they did not discuss politics on any day and 3% did not respond.

Question: “Thinking about last week, please tell how many days did you have a discussion pertaining to politics or political matters with a person?”
