Majority Pakistanis (69 %) mention childhood as their favourite phase in life. GILANI RESEARCH FOUNDATION (GRF POLL)

Islamabad, April 04, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 69% Pakistanis mention childhood as their favourite phase in life.

A nationally representative sample of men and women from across the four provinces was asked, “Some people enjoy their childhood phase, others like their youth and still others prefer old age. Please tell, which phase of your life did/do you like the most?” In response to this question, 69% mentioned childhood, 29% mentioned youth while 2% mentioned old age.

Question: “Some people enjoy their childhood phase, others like their youth and still others prefer old age. Please tell, which phase of your life did/do you like the most?”
