Gilani Research Foundation (GRF Poll)

Islamabad— April 18, 2015

“ (Part 6 of an 8 part series) More than half (61%) Pakistanis say they would trust a councilor/ Nazim. ”

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 61% Pakistanis say they would trust a councilor/ Nazim; 38% say that they do not trust a councilor/ Nazim.

A nationally representative sample of men and women from across the four provinces was asked, “From the point of view of honesty and ethical trustworthiness, how much would you trust a councilor/Nazim?” In response to this question, 18% said that they would trust a councilor/Nazim very much, 43% said that they would trust the councilor to a great extent while 28% said that they would have little trust in the councilor and 10% said that they would have no trust at all. 1% did not respond.

The study was released by Gilani Research Foundation and carried out by Gallup Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1850 men and women in rural and urban areas of all four provinces of the country, during January 18 – January 25, 2016. Error margin is estimated to be approximately $\pm 2-3$ per cent at 95% confidence level.
