Opinion Poll Government Policies Privatization

38% Pakistanis are of the opinion that privatizing PIA will not bring about any difference in its performance. GILANI RESEARCH FOUNDATION (GRF POLL)

Islamabad, May 13, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 38% Pakistanis felt that privatizing the Pakistan International Airlines (PIA) would not result in any change, positive or otherwise, in its performance.

A nationally representative sample of men and women from across the four provinces was asked, "Some people are of the opinion that privatizing PIA would improve its performance while others are of the opinion that performance would go down. Some also say that there would be no difference. Please tell, what is your personal opinion on this?" In response to this question, 33% Pakistanis said that performance of PIA will improve while 27% said that performance will go down. Meanwhile, 38% Pakistanis were of the opinion that privatization would not result in any difference in performance. 2% did not respond.

Question: "Some people are of the opinion that privatizing PIA would improve its performance while others are of the opinion that performance would go down. Some also say that there would be no difference. Please tell, what is your personal opinion on this?"
