Opinion Poll Social Views on Profession

Majority Pakistanis (52 %) have adopted or hope to adopt a profession of their own choice and liking. GILANI RESEARCH FOUNDATION (GRF POLL)

Islamabad, June 10, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 52% Pakistanis, when asked about the profession that they have adopted or hope to adopt, stated that they have chosen their profession based on their own choice and liking.

A nationally representative sample of men and women from across the four provinces was asked, “The profession that you have adopted right now (or hope to adopt in the future), have you adopted it of your own choice and liking or that of your parents?” In response to this question, 52% said the profession they have adopted is of their own choice and liking and 35% said that they have adopted a profession of their parents’ liking while 13% did not respond.

Question: “The profession that you have adopted right now (or hope to adopt in the future), have you adopted it of your own choice and liking or that of your parents?”
