Opinion Poll International General

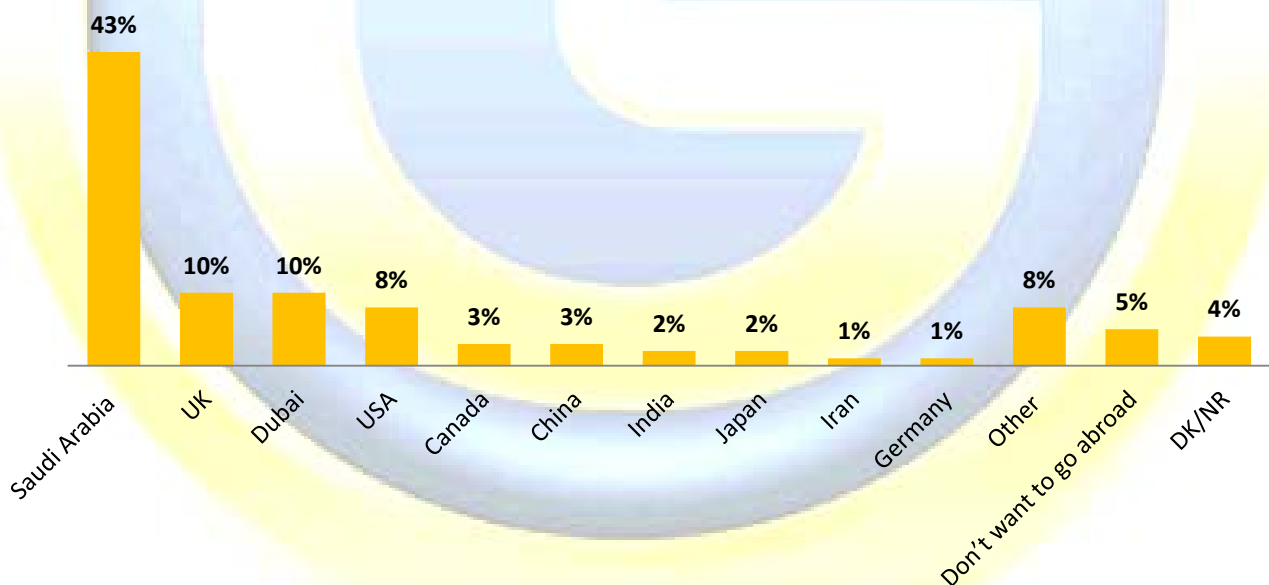

Majority Pakistanis (43%) would choose to go to Saudi Arabia if given an opportunity to go abroad on an all-expense paid trip; UK comes in as second choice. GILANI RESEARCH FOUNDATION (GRF POLL)

Islamabad, June 17, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 43% Pakistanis have stated that they would wish to go to Saudi Arabia if they were given an opportunity to visit another country provided all their expenditures, including accommodation and tickets, were borne by the Pakistani Government.

A nationally representative sample of men and women from across the four provinces was asked, “Suppose that you get an opportunity to visit another country and all the associated expenditures such as accommodation and ticket are being borne by the Pakistan Government, then which Country would you like to go to?” In response to this question, 43% Pakistanis said Saudi Arabia, 10% said United Kingdom, 10% said Dubai, 8% said the United States of America, 3% said Canada, 3% said China, 2% said India, 2% said Japan, 1% said Iran, 1% said Germany, 8% mentioned some other country, 5% said that they would not want to go to any other country and 4% gave no response.

Question: “Suppose that you get an opportunity to visit another country and all the associated expenditures such as accommodation and ticket are being borne by the Pakistan Government, then which country would you like to go to?”
