*WORLD CUP VIEWS SPLIT ON PAKISTAN'S PROSPECTS –
31% Optimistic, 20% Pessimistic, others in between*

February 21, 2003

According to a survey recently conducted by Gallup Pakistan public opinion hue is split on Pakistan's prospects in the cricket World Cup. When asked, "What in your view are the chances that Pakistan will win the World Cup?" 31% said the prospects were high, 26% said there was a moderate chance of victory while 20% said the chances for emerging as the world champion were very few or nil. The remaining 23% were unable to give an answer to this question.

The survey was conducted by Gallup Pakistan, the Pakistani affiliate of Gallup International among more than 1300 statistically selected households in both urban and rural areas of all the four provinces of Pakistan. The sample comprised a cross section of various, income, education, age and geographic segments. The text of this report can also be seen on the Internet at: www.gallup.com.pk.
