Nationally Representative Sample covering both urban rural respondents across Pakistan's four provinces

Opinion Poll SOCIAL Travel

A quarter of adult Pakistanis claim to have travelled on a train in the recent past. GILANI RESEARCH FOUNDATION (GRF POLL)

Islamabad, July 25, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, only 24% Pakistanis have travelled on train during the last six months, and out of them 77% felt safe while travelling on a train.

A nationally representative sample of adult men and women from across the four provinces was asked, "Have you had the opportunity to travel by train in the past 6 months or not?" In response to this question, 24% said yes, they had travelled on a train in the last 6 months, while the majority, 76% replied no.

Question: "Have you had the opportunity to travel by train in the past 6 months or not?"

Respondents who replied yes were further asked, "How secure did you feel when you travelled by train?" In response to this question, 41% said that they felt extremely safe, 36% said that they felt moderately safe, while 20% said that they felt moderately unsafe. 3% said that they felt extremely unsafe.

Question: "How secure did you feel when you travelled by train?"
