48 % Pakistanis think that the train service in the country is better than before. (GRF POLL)

Islamabad, July 26, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, as many as 48% Pakistanis think that the train service in the country is better than before.

A nationally representative sample of men and women from across the four provinces was asked, “According to you, how would you rate the performance of travelling by train in Pakistan in recent times?” In response to this question, 48% respondents said that they thought travelling by train was better now, than before, 17% thought that it was worse than before, while 31% thought that there was no difference. 4% said that they did not know or did not wish to respond.

Question: “According to you, how would you rate the performance of travelling by train in Pakistan in recent times?”
