75 % Pakistanis say they have access to hawkers/street vendors in their area. (GRF POLL)

Islamabad, August 26, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 75% Pakistanis say they have access to hawkers/street vendors in their area.

A nationally representative sample of men and women from across the four provinces was asked, “In different cities different people hawk different goods on stalls. Are there any such hawkers in your area?” In response to this question, 75% said yes, while 25% said no.

Question: “In different cities different people hawk different goods on stalls. Are there any such hawkers in your area?”
