A dominant majority of Pakistanis claim to eat three meals a day. (GRF POLL)

Islamabad, October 07, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, a dominant majority of Pakistanis claim to eat three meals a day.

A nationally representative sample of men and women from across the four provinces was asked, “Look at the following table and please tell, how often do you eat the following meals?” In response to this question, 77% said they always have dinner, 15% said that they mostly have dinner, 7% said that they sometimes have dinner and 1% said that they never have dinner. Furthermore, 65% respondents said that they always have lunch, 19% said that they mostly have lunch, 14% said that they sometimes have lunch, and 1% said that they never have lunch. 1% did not know or did not wish to respond. Moreover, 76% said that they always have breakfast, 17% said that they mostly have breakfast, while 6% said that they sometimes have lunch. 1% said that they never have breakfast.

Question: “Look at the following table and please tell, how often do you eat the following meals?”
