A significant majority of Pakistanis (80%) think that Pakistan has indeed progressed since 1947. (GRF POLL)

Islamabad, October 20, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, a significant majority of Pakistanis (80%) think that Pakistan has indeed progressed since 1947.

A nationally representative sample of men and women from across the four provinces was asked, “Some people say Pakistan has progressed more as a country after 1947, while others say that Pakistan has not progressed a lot as a country after 1947. What do you think, has Pakistan progressed after 1947?” In response to this question, 80% said that it has progressed, while 19% said that it did not progress. 1% did not know or did not wish to respond.

Question: “Some people say Pakistan has progressed more as a country after 1947, while others say that Pakistan has not progressed a lot as a country after 1947. What do you think, has Pakistan progressed after 1947?”
