25 % Pakistanis say that Pakistan has made significant progress in the field of education since 1947. (GRF POLL)

Islamabad, October 25, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 25% Pakistanis say that Pakistan has made significant progress in the field of education since 1947.

A nationally representative sample of men and women from across the four provinces was asked, "If you have to rate Pakistan's progress since 1947 in the following fields on a scale of 1 to 5, where 1 means 'no progress' and 5 means 'progressed very much,' how will you rate Pakistan's progress in these fields?" In response to this question, 12% said that politics progressed very much, 15% said that social values like truthfulness, honesty etc. progressed very much, 19% said that the economy progressed very much while 25% said that education progressed very much.

Question: "If you have to rate Pakistan's progress since 1947 in the following fields on a scale of 1 to 5, where 1 means 'no progress' and 5 means 'progressed very much,' how will you rate Pakistan's progress in these fields?"
