Source: Gilani Research Foundation Poll (GRF Poll)

Field work conducted by Gallup Pakistan, the Pakistani affiliate of Gallup International Association www.gallup-international.com; www.gallup.com.pk; www.gilanifoundation.com

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 67% Pakistanis say that their family's financial situation is better today than in 1970.

A nationally representative sample of men and women from across the four provinces was asked, "Think about your family's financial situation in 1970 and tell us whether you think your family's financial situation is better today compared to 1970, or was it better in 1970, or is it just the same?" In response to this question, 67% said it is better today, 15% said that it was better in 1970, while 16% said that it is the same as in 1970. 2% did not or did not wish to respond.

The study was released by Gilani Research Foundation and carried out by Gallup Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1817 men and women in rural and urban areas of all four provinces of the country, during August 8 – August 15, 2016. Error margin is estimated to be approximately $\pm 2-3$ per cent at 95% confidence level.
