Nationally Representative Sample covering both urban rural respondents across Pakistan's four provinces.

Opinion Poll GOVERNANCE / SOCIAL

A significant majority of Pakistanis (55 % to 68 %) holds the government responsible for different problems that Pakistan faces (including corruption, unemployment etc.). (GRF POLL)

Islamabad, November 17, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, a significant majority of Pakistanis holds the government responsible for different problems that Pakistan faces.

A nationally representative sample of men and women from across the four provinces were asked, “Pakistan faces different problems. Who do you think is responsible for these problems? I will read some problems in front of you. Please point out who you think is responsible for these problems?” In response to this question for corruption, 68% said government is responsible, 10% said army, 16% said political parties, 2% said agencies and 4% did not respond. For inflation, 67% said government is responsible, 13% said army, 13% said political parties, 3% said agencies and 4% did not respond. For security problems, 55% said government is responsible, 14% said army, 19% said political parties, 8% said agencies and 4% did not respond. For unemployment, 67% said government is responsible, 9% said army, 14% said political parties, 5% said agencies and 5% did not respond. For opportunities for education, 68% said government is responsible, 9% said army, 14% said political parties, 4% said agencies and 5% did not respond. For vulgarity and shamelessness, 63% said government is responsible, 10% said army, 15% said political parties, 7% said agencies and 5% did not respond. For Sharia Law is insufficient, 62% said government is responsible, 9% said army, 19% said political parties, 6% said agencies and 4% did not respond.

Question: “Pakistan faces different problems. Who do you think is responsible for these problems? I will read some problems in front of you. Please point out who do you think is responsible for these problems?” (Ask separately for all options)
