A significant majority of Pakistanis (50% to 78%) believe NGOs, school/colleges etc., social service institutes and mosques use their funds ethically, while 50% believe government institutes use their funds unethically. (GRF POLL)

Islamabad, December 28, 2016

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, a significant majority of Pakistanis (50% to 78%) believes NGOs, school/colleges etc., social service institutes and mosques use their funds ethically, while 50% believe government institutes use their funds unethically.

A nationally representative sample of men and women from across the four provinces was asked, “In your opinion, to what extent do the following institutions use their funds ethically?” In response to this question, for social service institutes, 61% said they use funds ethically, 35% said most of them use funds unethically, 4% did not know or did not wish to respond. For NGOs, 50% said they use funds ethically, 47% said most of them use funds unethically, 3% did not know or did not wish to respond. For government institutes, 46% said they use funds ethically, 50% said most of them use funds unethically, 4% did not know or did not wish to respond. For school/ colleges etc., 56% said they use funds ethically, 39% said most of them use funds unethically, 5% did not know or did not wish to respond. For mosques, 78% said they use funds ethically, 18% said most of them use funds unethically, 4% did not know or did not wish to respond.

Question: “In your opinion, to what extent do the following institutions use their funds ethically?”
