3 in 4 Pakistani households use plastic bags to get groceries and other items; only 10 % say they use paper bags. (GRF POLL)

Islamabad, January 13, 2017

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 3 in 4 Pakistani households use plastic bags to get groceries and other items; only 13% say they use paper bags.

A nationally representative sample of men and women from across the four provinces was asked, “Generally, to get groceries or other items from the market, which of the following is used by your household?” In response to this question, 73% said plastic bag (shopper), 10% said paper bag, 13% said cloth bag and 4% said basket.

Question: “Generally, to get groceries or other items from the market, which of the following is used by your household?”
