46 % Pakistanis believe that most noble work remains unrecognized and unrewarded. (GRF POLL)

Islamabad, March 9, 2017

According to a Gilani Research Foundation Survey carried out by Gallup Pakistan, 46% Pakistanis believe that most noble work remains unrecognized and unrewarded.

A nationally representative sample of men and women from across the four provinces was asked, “I will read a few statements. Please tell if you agree or disagree with the following? [Most people do good work which remains unrecognized and unrewarded]” In response to this question, 46% agreed that most people do good work which remains unrecognized and unrewarded, 36% disagreed, while 18% did not know or did not wish to respond.

**Question: “I will read a few statements. Please tell if you agree or disagree with the following?
[Most people do good work which remains unrecognized and unrewarded]”**
