Electricity Production: 77% Pakistanis favour more nuclear plants to generate electricity in the country. (GALLUP & GILANI PAKISTAN POLL)

Islamabad, April 14 2017

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 77% Pakistanis favour more nuclear plants to generate electricity in the country.

A nationally representative sample of men and women from across the four provinces was asked, “Do you favour or oppose expanding each of the following sources of energy in our country [More nuclear power plants to generate electricity]?” In response to this question 77% favour more nuclear power plants to increase electricity production, while 23% oppose it.

Question: “Do you favour or oppose expanding each of the following sources of energy in our country [More nuclear power plants to generate electricity]?”
