(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, October 10, 2017

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 1 in 5 Pakistanis say they have a problem in their life which poses a threat to their living standards.

A nationally representative sample of men and women from across the four provinces was asked “Do you have any problems/issues that can possibly threaten your current living standards in future?” In response, 19% said they have a problem that threatens their current living standards, 53% said no, and 28% said they did not know or wish to respond.

Question: “Do you have any problems/issues that can possibly threaten your current living standards in future?”
