1998-2017: An overwhelming majority of urban Pakistanis (75%) continues to favor the construction of Kala Bagh Dam. GALLUP & GILANI PAKISTAN

Islamabad, November 21, 2017

According to a Gallup Pakistan National Survey conducted in the year 1998 (19 years ago) respondents in urban Pakistan were asked, “Some people believe that the Kala Bagh Dam should be constructed, while some people oppose its construction. Please tell me whether you support or oppose the construction of this dam?” In response, 75% respondents said they supported the construction of the dam and 21% said they opposed the construction of the dam. 4% did not respond.

Comparative Picture: The question was asked again in 2017 to enable a concrete comparison. In 2017, 75% respondents said they supported the construction of the dam and 25% said they opposed the construction of the dam.

This press release has been made as part of the Gallup Pakistan History Project which aims to release historical empirical polling data to wider audiences. The objective is to sustain and encourage empirical decision making in Pakistan.

Question: “Some people believe that the Kala Bagh Dam should be constructed, while some people oppose its construction. Please tell me whether you support or oppose the construction of this dam?”

Aim and Rationale for Gallup Pakistan History Project

Bilal I Gilani, who is Executive Director at Gallup Pakistan and is Director of Gallup Pakistan History Project explains the aim of the Project as follows: ‘Gallup Pakistan has been polling in Pakistan since 1979 (over 35 years). During this time millions of Pakistanis have been surveyed by over a thousand interviewers of Gallup. In 2014, Gallup Pakistan has decided to release historical Public Opinion data and this Press Release is part of Gallup Pakistan’s History Project. This endeavor is dedicated to all those who hope for a more empirical understanding of Pakistani Issues. For more information about Gallup History Project, please contact caf@gallup.com.pk.’
