**Two third Pakistanis (65%) say life was affected in their city by the reactionary protests against the operation in Islamabad.  
(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, January 03, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, Two third Pakistanis (65%) say life was affected in their city by the reactionary protests against the operation in Islamabad.

A nationally representative sample of men and women from across the four provinces was asked, “Please tell me how much life has been affected in your city by the protesters demonstrations in reaction to the operations by the government against Tehreek-e-Labaik in Islamabad?” In response to this question, 25% said it was affected a lot, 40% said somewhat affected, 18% said somewhat unaffected and 17% said not affected at all.

**Question: “Please tell me how much life has been affected in your city by the protesters demonstrations in reaction to the operations by the government against Tehreek-e-Labaik in Islamabad?”**
