(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, January 19, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 15% Pakistanis claim to have considered installing surveillance cameras for the safety of their home or business.

A nationally representative sample of men and women from across the four provinces who claim they do not have surveillance cameras installed at their home or business, was further asked, “If you have not installed a CCTV camera to protect/monitor your home or business yet, have you ever thought of installing one?” In response to this question, 15% said yes and 85% said no.

Question: “If you have not installed a CCTV camera to protect/monitor your home or business yet, have you ever thought of installing one?”
