(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, January 23, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 1 in 4 Pakistanis (26%) claim their household has felt afraid that a burglar had broken into their home in the past year.

A nationally representative sample of men and women from across the four provinces was asked, “In the last one year, was there a moment when you or someone in your household was afraid that a burglar had broken into your home even if it was just a false scare?” In response to this question, 26% said yes and 74% said no.

Question: “In the last one year, was there a moment when you or someone in your household was afraid that a burglar had broken into your home even if it was just a false scare?”
