(GALLUP & GILANI PAKISTAN POLL)

Islamabad, February 07, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 63% Pakistanis favor private schools right to operate alongside government schools, 35% believe all schools should be run by the government.

A nationally representative sample of men and women from across the four provinces was asked, “Nowadays, many private schools are running in the country. Do you think private schools should be given permission to run or should all schools be run by the government?” Responding to this, 63% of respondents said private schools should be given permission to run and 35% said all schools should be run by the government. However, 2% did not respond.

Question: “Nowadays, many private schools are running in the country. Do you think private schools should be given permission to run or should all schools be run by the government?”
