

Special Press Release

GALLUP PAKISTAN ELECTORAL REPOSITORY PARTYWISE RUNNER UPS: PUNJAB

Elections 2013: Out of 150 seats in Punjab, PTI was the runner up on 35 % seats followed by PPP and Independent candidates on 19 % seats each. PML N candidates were runner ups on 15 % seats only.

Islamabad, February 13, 2018

Introduction to the series on Gallup Electoral Repository:

This press release is part of a special press release that aims to provide the readers interesting findings from Gallup Pakistan's electoral database. The data has been consolidated from the Elections Commission of Pakistan (ECP) data on the latest general elections held in 2013.

This particular press release provides noteworthy information on the party-wise share of runner-up candidates in the 2013 elections in Punjab.

Share of winner/runner-up candidates in Punjab

Party	PTI	Independent	PPP	PML N	PML Q	Others
No. of Runner up candidates	52	29	28	22	14	5
No. of Winning candidates	8	14	3	120	2	3

Gallup Pakistan Electoral Repository: An Introduction

The Gallup Pakistan Electoral Repository is comprised of the following sources:

1. Election Commission data on past 10 elections in Pakistan, available over each constituency. This data was acquired from Election Commission website and converted into digital database in SPSS form and is now referred to as Gilani Index of Electoral Record.
2. Gallup Exit Polls for every election since 1985.
3. Gallup pre and post-election survey record since 1985.
4. Analysis by Dr. Ijaz Shafi Gilani on elections piece by piece, as well as in combined form.
