(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, March 08, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 27% Pakistanis opine that winter season was colder than usual this year.

A nationally representative sample of men and women from across the four provinces was asked, “Please tell whether you think the severity of winter has increased, decreased or remained this year?” In response to this question 27% said severity increased this time, 34% said it decreased, 37% said it remained the same and 2% did not know or wish to respond.

Question: “Please tell whether you think the severity of winter has increased, decreased or remained this year?”
