Majority Pakistanis (63%) opine that Pakistan Day was celebrated more enthusiastically than the previous year. (GALLUP & GILANI PAKISTAN POLL)

Islamabad, April 30, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, majority Pakistanis (63%) opine that Pakistan Day was celebrated more enthusiastically than the previous year.

A nationally representative sample of men and women from across the four provinces was asked, “Some people think that Pakistan Day was celebrated with more zest and enthusiasm this year as compared to the previous year, yet others say that there was not much difference in the celebration. What is your opinion regarding this?” In response to this question, 63% said it was celebrated with more zest and enthusiasm this year and 21% said it was celebrated with more zest and enthusiasm last year. 16% did not know or wish to respond.

Question: “Some people think that Pakistan Day was celebrated with more zest and enthusiasm this year as compared to the previous year, yet others say that there was not much difference in the celebration. What is your opinion regarding this?”
