(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, May 18, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, more than half Pakistanis (55%) opine that PML-N's position has weakened following the resignation of some of its southern Punjab members. 32% believe otherwise.

A nationally representative sample of men and women from across the four provinces was asked, "During the last few days, eight PML-N National Assembly members from Southern Punjab have resigned. Some people think that PML-N's position has weakened since the resignation of these members, while others say that it is not the case. What is your opinion about it?" In response to this question, 55% said PML-N's position has weakened and 32% said it is not the case. 13% did not know or wish to respond.

Question: "During the last few days, eight PML-N National Assembly members from Southern Punjab have resigned. Some people think that PML-N's position has weakened since the resignation of these members, while others say that it is not the case. What is your opinion about it?"
