(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, May 08, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 38% Pakistanis believe crime rate has decreased in their area over the past year; 41% opine it is the same.

A nationally representative sample of men and women from across the four provinces was asked, “Has the rate of theft and unrest increased, decreased or remained the same over the last year in your area/neighborhood?” In response to this question, 15% said theft rate and unrest has increased in their area, 38% said decreased, while 41% said it is the same. 6% did not know or did not wish to respond.

Question: “Has the rate of theft and unrest increased, decreased or remained the same over the last year in your area/neighborhood?”
