The study was released by Gilani Research Foundation and carried out by Gallup Pakistan, the Pakistani affiliate of Gallup International. The survey was conducted with a statistically selected sample of men and women voters comprising a cross-section of all ages, income and educational backgrounds. The survey was conducted in the rural and urban polling stations of all the four provinces of Pakistan. Face-to-face interviews were conducted between 8 am to 6 pm on the polling day (July 25).

Gallup Pakistan Electoral Repository: An Introduction

The Gallup Pakistan Electoral Repository is comprised of the following sources:

1. Election Commission data on past 10 elections in Pakistan, available over each constituency. This data was acquired from Election Commission website and converted into digital database in SPSS form and is now referred to as Gilani Index of Electoral Record.
2. Gallup Exit Polls for every election since 1985.
3. Gallup pre and post-election survey record since 1985.
4. Analysis by Dr. Ijaz Shafi Gilani on elections piece by piece, as well as in combined form.
