SOCIAL BEHAVIOR
Population Planning

**62% Pakistanis are of the opinion that husband and wife should make a joint decision regarding family planning.
(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, August 24, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 62% Pakistanis are of the opinion that husband and wife should make a joint decision regarding family planning.

A nationally representative sample of men and women from across the four provinces was asked “Some people think husband and wife should take joint decisions regarding family planning while others disagree. What do you think, should husband and wife make a joint decision or not?” 62% responded by saying that husband and wife should take a joint decision, while 28% said they should not. 10% of the respondents did not know or did not respond.

“Some people think husband and wife should take joint decisions regarding family planning while others disagree. What do you think, should husband and wife make a joint decision or not?”
