Islamabad, September 19, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 52% of Pakistanis believe that Imran Khan's tenure will be better than the previous government as compared to 61% who had similar views for Nawaz Sharif's tenure back in 2013.

A nationally representative sample of men and women from across the four provinces was asked "Imran Khan's tenure as Prime Minister will be better, worse or same as the previous government?" In response to this question, 52% said it will be better, 21% said it will be worse, 20% said that there will be no change while 7% did not respond to the question. The same question was asked 5 years ago in 2013 when Nawaz Sharif's tenure as Prime Minister was starting, 61% said it will be better than the previous tenure, 13% said it will be worse while 25% said it will be the same as before.
