More than 6 in 10 (64%) Pakistanis believe that the eradication of the interest system from the country is possible, a 13% decline from 1979, while 30% think that it cannot be completely eradicated. (GALLUP & GILANI PAKISTAN POLL)

Islamabad, December 10, 2018

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, more than 6 in 10 (64%) Pakistanis believe that the eradication of the interest system from the country is possible, a 13% decline from 1979, while 30% think that it cannot be completely eradicated.

A nationally representative sample of men and women from across the four provinces was asked “do you think the interest based system can be completely abolished for Pakistan?” In response to this question, 64% said yes, 30% said no, while 6% did not know or respond to the question.

The question was asked previously in 1979. In 1979, 77% said it can be completely eradicated, while 23% said no.

“Do you think the interest based system can be completely abolished from Pakistan?”
