(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, January 10, 2019

According to a Gilani Research Foundation Survey carried out by Gallup and Gilani Pakistan, more than 1 in 2 (53%) Pakistanis affirm that if the facility of online Quranic education were made available in Pakistan, they would be willing to use it.

A nationally representative sample of men and women from across the four provinces was asked, "Supposing that the facility of online Quranic education becomes available in Pakistan, would you want to utilize it?" In response to this question, 53% replied in the affirmative, 39% replied in the negative, while 8% did not know or did not wish to respond.

Question: "Supposing that the facility of online Quranic education becomes available in Pakistan, would you want to utilize it?"
