Gender Breakdown: While 53% of men reported having traveled out of their district at least once, only 33% of women said that they had done this. 28% of male respondents said they had never traveled out of their district, while 48% of women stated the same.

The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1142 men and women in urban areas of all four provinces of the country, during 24 January – 28 January, 2019. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level.
