Pakistani public opinion split on whether victims would get justice: 4 in 10 Pakistanis believe that the victims of this incident will get justice, whereas 50% think they would not get justice.
(GALLUP & GILANI PAKISTAN POLL)

Islamabad, April 10, 2019

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 4 in 10 Pakistanis believe that the victims of this incident will get justice, whereas 50% think they would not get justice.

A nationally representative sample of men and women from across the four provinces was asked, “Recently the officers of CTD involved in Sahiwal shooting have been arrested and a JIT has been formed to investigate the Sahiwal Incident. Do you think that the victims of this incident will get justice?” In response to this question, 41% said they will while 50% said they will not get justice. 9% did not know or did not wish to respond.

Question: “Recently the officers of CTD involved in Sahiwal shooting have been arrested and a JIT has been formed to investigate the Sahiwal Incident. Do you think that the victims of this incident will get justice?”
